

By downloading the dashboards and material made available on this website (the “Assets”) by Adobe Inc. (“Adobe”) hereto, you hereby agree to the terms and conditions set forth below. All references to “you” shall mean, as applicable, either (A) an individual if downloading the Assets in an individual capacity, or (B) a business entity if downloading the Assets as an individual contractor or employee representing such business entity.

Subject to the terms and conditions set forth herein, Adobe grants to you for your direct beneficial business purposes, a non-transferable, non-exclusive license to download and use the Assets in connection with the applicable on-demand software service to which the Assets pertain, solely during the term that you have valid and legal access to such service from Adobe. The Assets are provided “AS-IS.” To the maximum extent permitted by law, Adobe disclaims all warranties, express or implied, including the implied warranties of non-infringement, merchantability, and fitness for a particular purpose. Adobe makes no commitments about the content within the Assets. Adobe further disclaims any warranty that (A) the Assets will meet your requirements or will be constantly available, uninterrupted, timely, secure, or error-free; (B) the results obtained from the use of the Assets will be effective, accurate, or reliable; (C) the quality of the Assets will meet your expectations; or (D) any errors or defects in the Assets will be corrected.

Adobe is making the Assets available to you as a tool that may guide your use of the applicable on-demand software service to which the Assets pertain, and you may be able to download, copy, and customize the Assets to build further code, metrics, and other reporting capabilities in such service. Adobe is specifically not responsible for any such customizations you make to the Assets, including, without limitation, any defects, failures, or latency in the Assets (or any service that leverages the Assets) caused by your customizations. Except to the extent expressly permitted herein, you agree that as a condition of the license to use the Assets, you shall not (A) use the Assets in violation of any applicable laws or regulations, or in connection with unlawful material (such as material that violates any obscenity, defamation, harassment, privacy, publicity or intellectual property laws); (B) copy, use, republish, distribute, transmit, sell, rent, lease, host, or license the Assets; and (C) attempt to reverse engineer, decompile, or discover the source code, data representations, underlying algorithms, processes, and methods within any Adobe intellectual property or proprietary information.

Adobe specifically disclaims all liability for any actions resulting from your use of the Assets. You may use and access the Assets at your own discretion and risk, and you are solely responsible for any damage to your computer system or loss of data that results from the use of and access to any Asset. Adobe is not liable to you or anyone else for any special, incidental, indirect, consequential, moral, exemplary or punitive damages whatsoever, regardless of cause, including losses and damages (A) resulting from loss of use, data, reputation, revenue, or profits; (B) based on any theory of liability, including breach of contract or warranty, negligence, or other tortious action; or (C) arising out of or in connection with your use of or access to the Assets. The foregoing does not exclude Adobe’s liability for gross negligence, intentional misconduct of Adobe or its employees, or death or personal injury.
